Dear Canadian Partner in Ministry,

Shalom in Messiah's Name! I pray this letter and newsletter find you well in every area of your life, enjoying God's presence and serving Him with all your heart.

Ministry Vision in Canada

As you read this month's issue of *The Chosen People*, you will learn some important facts. We are completing our 125th year as a Mission to the Jewish people with final celebrations taking place this month. We thank the Lord for the vision He gave our founder, Rabbi Leopold Cohn, in 1894 to

share the Gospel with every Jewish person he could.

The general vision for the future of our Mission in Canada is similar to the international vision laid out in the newsletter. The emphasis will be in three areas:

- *reaching Israel with the Gospel,*

- *continuing to develop digital and social media for evangelism and discipleship, and*
- *developing the next generation of leaders.*

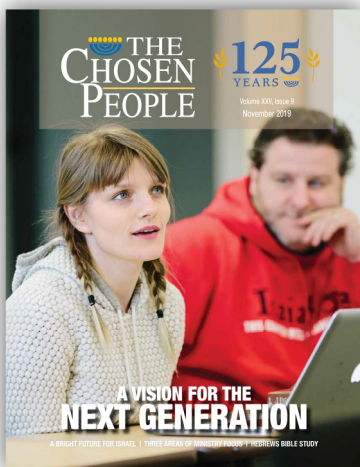

These are issues that have been and are part of our emphasis at Chosen People Ministries here in Canada, as well.

Many like you have prayed and supported our ministry in Israel for years because you understand the importance of reaching "the lost sheep of Israel" with the message of salvation in Yeshua (Jesus). We are grateful and we ask for your continued support for the work in **Eretz Israel** (the Land of Israel) since the needs there are great.

In recent years, we have recognized the need to improve and increase our **digital and social media** presence. We prayed fervently for the right person to help us in this area. Last year, the Lord answered our prayers with someone who has the right skills and experience. As well, she has a passion for Israel and understands what our ministry is all about.

When you visit our website or our Facebook, Instagram and Twitter pages, you will notice the difference between where we were a couple of years ago and where we are now. You have been a part of

Donor Advised Funds are ideal for those who have always wanted to set up a charitable foundation in order to be strategic in their giving and create a legacy, but feel that the cost and burden of setting up a family foundation is too great.

Thank you for blessing God's chosen people! Please remember Chosen People Ministries in your will.

this growth with your prayers and financial support. Every day, we are reaping benefits from our digital and social media presence through new contacts, new seekers and new partners for the cause of Messiah.

The biggest challenge we are facing today is in developing **the next generation of Messianic leaders**. The reality is that all of us are growing older. Eventually, we must pass the baton to younger leaders. Although some of these future leaders are being developed in our own Messianic congregations, they are few in number. I am trusting that the Lord is preparing others to answer the call to Jewish Missions in churches across Canada. Perhaps some are already training in Bible colleges and seminaries in order to serve with us.

The Immediate Future

Now that the Toronto Messianic Centre has been completed, one of my priorities will be to find and recruit new missionary personnel for Canada. This was a responsibility I had when I worked for other mission organizations prior to joining Chosen People Ministries almost ten years ago.

We want – no, **need** – to place missionaries in Montreal, Vancouver and Halifax where there are many Jewish people who need to hear about Jesus. Will you pray with us for these places and for the people God will send to minister there? Pray with the assurance that the Lord will respond in His time, in His way and according to His plan!

Thank You for Your Encouragement

Finally, I want to thank those of you who have sent cards, letters, emails and other messages of encouragement to me during the last few weeks. Each of you has been a blessing to my life and I'm very grateful. I cannot carry out the responsibilities of leading this Mission without your support.

May the Lord richly bless you so that, together as partners, we can continue sharing the Gospel "to the Jew first."

Until all Israel is saved,

 Jorge Sedaca
 Executive Director
